SUBJECT: New WSB Individual Ranking Point System

Dear Presidents, Secretaries General and WSB Franchises,

Please find attached the WSB Individual Ranking Point System which will take effect immediately as of today.

It was noticed from one of our past WSB Competitions that the previous system was not appropriate. Therefore, the AIBA Executive Committee has recently approved the new ranking point system. As the WSB Season V will begin from tomorrow, January 15, it is believed that all National Federations and WSB Franchises should follow this new ranking point system from now on.

We wish the best to all boxers competing in the WSB Season V.

Sincerely yours

Ho Kim
AIBA Executive Committee
